WEEK #7 JUNE 24, 2009

Joe scores 5 as Hot Shots smokes out W in first 4 rounds; overtakes top slot in league!

Last week, One Bad Ass Team was on top of the league and Hot Shots was trailing closely behind in second with just 3 points between them. After a decisive 14-11 battle and ultimate win by Hot Shots, they're now in first with One Bad Ass Team closely behind in second. Breaking into their match with a 4-1 lead, Hot Shots had the early momentum which they drove through 9 of the next 15 points to score a match win by the top of the final round. Joe led for Hot Shots with his first 5-game win, Walt assisted with 3, and Fran, Mike and Brian doubled. Mike, Jim and Wayne drove the offense for One Bad Ass team with triples while Tom added two. Hot Shots matches up against Far Cues this week while One Bad Ass Team takes on Over The Hill who's looking to get their season rolling with a big W this week.

On final push, Duncan pulls through with 13th point for Far Cues photo finish finale!

Both Over The Hill and Far Cues have gotten off to slow starts this season with each team missing key players on their rosters. Facing each other last week, Over The Hill was ranked 9th and Far Cues 10th, tied at 1-4, but Over The Hill was 11 points ahead so a W for Far Cues was critical if they wanted to orchestrate any move up the standings. Over The Hill started with a 3-2 advantage, Far Cues quickly responded with a near sweep of the second to go up 6-4 but OTH bounced back with a near perfect third round to pull ahead 8-7 after 3. Grabbing 6 of the last 10 points including the final 13th point by Dunc, Far Cues pulled ahead of the Over The Hill into 9th place in the standings this week. Double G had an outstanding night taking his first 5 game win and first runout for Far Cues, Bob and Cuz picked up 2 each, and Rich added one plus a second runout. Fast Freddie had his offense under control scooping up 4 points followed by Denis, Rich and Ron with triples including Denis' 5th runout. This week, it's Far Cues vs the league's top team, Hot Shots, and another tough match up for OTH as they face One Bad Ass Team.

Near perfect middle round settles close 14-11 contest between Spartans & TCB!

Spartans went up 3-2 in each of the first 2 rounds in their match against TCB last week while their opponent did the same in the last 2 rounds so it came down to Spartan's 4-1 near sweep in third that earned them a hard fought 14-11 victory against a much higher ranked team. The Bonecrusher and Viper drove the offense for Spartans posting 3 apiece including Brian's second runout while Jateen and Khan split four. Chuck and Claude tripled to lead the shooting for TCB, Steve and Ed picked up 2 apiece, and Keith added one. It's 6th ranked Spartans versus #2 Cues Gone Wild this week and TCB up against 4th place Lucky Shot.

Undertaker shines for Shaft with 2 runouts in 4th round victory that ends 15-10!

Last week, Eugene was ranked 4th in the league and Marty 6th as they faced off against each other and 4 straight Ws including 2 runouts later it was obvious The Undertaker had once again severed the sword of yet one more challenger in his way to the top. This win moves Marty into 4th place in the standings this week, just in time to rack up against the league's top shot, Dan Simoneau. A 3-point assist was posted by Denis, and Neil and Vinnie added 2 apiece including Neil's 1st runout. Tim and Sam tripled to head up

The Aimless Bunch's effort followed by Tonto with 2, and Eugene and Neil who split 2. While Marty and Dan battle it out in Shaft vs Ballbusters this week, The Aimless Bunch is looking to get some momentum moving with a W against Rack N Roll.

Bob, Dan and Ballbusters roll over Rack N Roll in early 18-7 win!

What matters most is that Rack N Roll is coping with the fact that they haven't scored a match win yet this season and remain undaunted as they plug along taking on the best and playing their hardest every week. Last week, they faced Ballbusters and the top shot in the league which didn't go exactly as they'd have liked. Ballbusters broke into their match with a 3-2 lead which they opened to 7-3 after 2, 10-5 after 3, and 18-7 by the match finale. Dan, Bob and Dennis took control of Ballbusters' offense scoring 4 points apiece while Brent picked up 3 and Dan added 2. Brian was on top for rack N Roll with a team leading 3 points followed by Adrienne and Jack who split 2. Ballbusters won't have such an easy time of it tonight as they take on Shaft while Rack N Roll shoots for a first win against The Aimless Bunch.

Cues Gone Wild overtakes Lucky Shot in standings with close 14-11 match win!

Last week, Cues Gone Wild was ranked 4th and Lucky Shot 3rd with just 4 points between them so you knew that facing each other the competition would be fierce. Cues Gone Wild opened their match 3-2 but Lucky Shot quickly responded with a 4-1 drive in the second to go up 6-4. Cues Gone Wild answered with a 4-1 lead in the 3rd to go back up 8-7 and added another 6 of the last 10 to take the match win. Andy collected the most points for Cues Gone Wild with his 2nd 5-game win tying up Vishal for the record, Jim picked up 4, Tim and Dave split 4, and Tuck took one. Zaldy scored a team leading 4 points, Mario and Len tripled, and Fitzzy added one for Lucky Shot. Cues Gone Wild racks up against Spartans tonight pitting Andy against Vishal while Lucky Shot tries to hang in the top 4 with a W against TCB who's coming off a tough loss to Spartans last week.
